## **DEDICATION**

Dr. Howard S. Greenlee, a native of Illinois, received his Bachelor of Arts, Master of Arts, and Ph.D. degrees from the University of Chicago. He taught in the Woodstock public schools before serving as an ordinance instructor in the Navy's Midshipman's school at Northwestern University. From 1950-1955 Dr. Greenlee served on the staff of Simpson College at Indianola. During the last years at Simpson he was named an associate professor of history and chairman of the social studies division of the college. Dr. Greenlee left Simpson to accept a position as associate dean at Southwestern University at Georgetown, Texas, for one year. In 1956 he became dean of the college at Park College at Parkville, Missouri. Dr. Greenlee has served as dean and professor of history at Coe since 1958. He has been the recipient of a Carnegie Corporation Administrator's Travel Grant and a Ford Foundation Faculty Fellowship, which enabled him to study at Columbia University and Union Theological Seminary in New York. This September he will become professor of history at Tuskegee Institute at Tuskegee, Alabama.

During his years at Coe, Dr. Greenlee has been instrumental in initiating various academic programs. He has demonstrated a constant interest in the welfare of the college. In sincere appreciation for his dedication to Coe, the 1965 ACORN is dedicated to Dr. Greenlee.

Old Main

TO THE CLASS OF 1965:

It is just possible that during our four years together on this campus Coe has seen more changes than during any similar period in her more than a century of existence. Your class endured the pains and strains, and experienced the upward pull involved in moving from a semester plan to the 3-3 plan. You were on campus when the long range growth and development plan was formulated and launched. You heard me announce the Ford Foundation grant, and the search for the millions of dollars to translate hopes into realities. You were exposed to Toybee and Louis Armstrong, Martin Luther King and Senator Fulbright, W. H. Auden and Eugene Carson Blake. We watched astronauts together via TV in the old TUB, met in the darkness on B Avenue, and, just as a prelude to your leaving campus, we survived a tornado! Shapers of history have been on the campus during your time here. Destroyers of human rights have been abroad in the land. Nobility of spirit and deepening of dedication have also characterized our time together. And as I write this, the sound of the bulldozer comes from the rear quad where the high-rise dorm and Gage Memorial Union are underway. Coe has moved, and you have been in the main stream. My theme at opening convocation during your senior year was "hilaritas." My word to you on Baccalaureate morning was "commitment." May you have a goodly measure of both all your days.

Yours truly,  
Joseph E. McCabe  
President

## STUDENT ENCAMPMENT

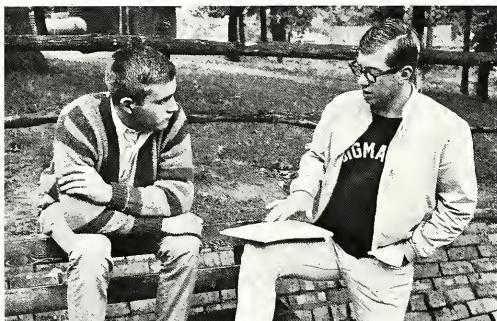

The tenth annual Student Encampment was held the week prior to the beginning of fall term classes. Faculty, administration, influential and interested students representing every phase of Coe life attended and spent these days discussing such topics as student government, the reading program, academic attitudes and student-faculty relations. The goal of this Encampment was to offer practical suggestions on these general topics and prepare to attack more specific problems.

Encampment proved its effectiveness as all of its 28 resolutions were acted upon by Student Council during the year. Faculty, administration, and interested students took part in the discussions on the banks of the Wapsinicon River two days before classes began. Their purpose was to discuss problems in all aspects of campus life. They proposed specific improvements in the reading program, cultural events, and in over-all communications between the students and faculty. They promoted school spirit through the issuance of several resolutions, which were carried out effectively. The spirited group suggested the idea for the big-brother, big-sister program which became a reality. Plans for utilization of TUB and PUB facilities were listed and submitted to the administration. There was constructive criticism for KCOE and the Cosmos. The group dealt with such practical issues as abolition of PE uniforms and the extension of TUB hours. Student Council President John Casey distributed a list of the contributions of Student Encampment. He wanted it known that the ideas presented in that "ineffective body" do become realities.

## WASHINGTON TERM

The students selected from among the juniors and seniors, have a variety of majors and thus individual reasons for participation in the fall term program. The program which gives fall term credit includes a course in American government, independent studies in their respective majors, and an art course for which the facilities in the nation's capital are abundant.

The Coe students live in a house provided by the college but have their meals at the International House where they have the perfect opportunity to promote international understanding with the foreign students studying in the capital. The location of the Program thus gives the students the opportunity to broaden their knowledge of their own government besides broadening their academic and cultural perspectives. It is evident from the students' reports of the Program that it has been very beneficial to their entire educational program.

South Sea Island candidates were: Carolyn Brown (replaced by Gerry Harrington who is not pictured), Jane Coffey, Alice Diffenderfer, Ann Ludvigsen, Eline Schnect, Marie Horn.

"What time does the boat leave?"

## SOUTH SEA ISLAND DANCE

The Lambda Chi Alpha South Sea Island Dance begins Coe's social year with this intellectual question, "What girl would you like to be stranded with on a desert island?" The problem was solved when Jane Coffey was selected as island queen by popular vote. Gerry Harrington was named as the "best dressed" or rather "least dressed" girl attending the dance. The dance was kept down to a low roar by "The Mauraders." It was another great success for the Lambda Chi's.

## PAJAMA DANCE

The annual Tau Kappa Epsilon Pajama Dance, better known as "The Greatest Night of the Year" was held in the T.U.B. The surroundings could hardly be recognized with the bunk beds lining the walls and pajama-clad couples dancing to swinging music. Intermission entertainment featured Frank Fazio with guitar solos and an interpretive dance presented by Mary Alice Shierk. Sue Bryant reigned as "Sleepy Time Gal." A comfortable evening was had by all.

"Oh, Jimmy!"

Pajama Dance candidates were: Cora Doner, Jill Babler, Sue Osgood, Sue Bryant, Barbara Camp, Karin Saral, Judy Keck.

Siglympics Queen candidates: Paula Fager, Diane Hyder, Susie Englehart (Queen), Diane Gerry, Carol Von Frank, Julie Garraway.

## SIGLYMPICS

Alpha Xi's coach, Sterling Price.

Alpha Sigma Phi again sponsored a day of sore muscles, backs, and strained voices better known to all Coe Women as Siglympics. The various women's organizations competed in such thrilling events as the rolling pin toss, spoon and egg relay, and a running sack race. The "fun" and games ended in a tie for first place between the KD's and the Tri Deltas. After a tense run-off the trophy was again awarded to Delta Delta Delta. The evening activities consisted of the Siglympics Ball highlighted by the crowning of Sue Englehart as Siglympic Queen.

### GRAVE AFFAIR

The TUB was converted into a tomb for the annual Phi Kappa Tau Grave Affair. Shrieks of terror and gasps of fear filled the room as couples edged toward an open coffin. The music of Chicago's Singing Sam and the Sparks left the TUB literally rocking. Intermission featured the "Foul Tones" lead by Scott Jones (the foulest of them all). Barb Fisher was selected the 1965 Ghoul Friend.

Congratulations on another "affair" to remember.

## HEART THROB HOP

Valentine's Day for the Tri-Deltas is more than a time for candy and flowers from that "certain someone." It is the date of the annual Heart Throb Hop, an all school informal dance. Members of Delta Delta Delta sponsor the "Hop" as a service project to earn money for the Heart Fund, and chose their "Heart Throb" from the fraternities. This year's lucky man was Ron Feltes.

# WINTER

The "Judge" at her best.

With heroic effort the Student Activities Committee staged Coe's first Winter Carnival. Unfortunately, the Iowa weather refused to cooperate, and skiing plans were soon abandoned. Despite the lack of snow the carnival was a tremendous success.

An easy way to restrain a "friend."

# ALPHA XI DELTA IDEAL FRATERNITY MAN

Candidates: Bob Young, Jay Means, Chuck Zimmerman, George Esslinger, Geoff McKee

At the sound of the pitch pipe, it will be the beginning of the Alpha Xi Delta Spring sing. Directing the sweet tones of thirty-five female voices, Gini Knight led the way for Delta Delta Delta's victory in the sorority division. Dave (Sky) King and the brothers of Lambda Chi Alpha sang their way to first place among the fraternities. A new category was invented for the fine performance of Alpha Sigma Phi and "Along Came Chubs?" The Alpha Xi's again made a wise choice in an Ideal Fraternity Man, congratulations to Bob Young, athlete, scholar and all around campus hero.

## G.E. COLLEGE BOWL TEAM

Late in November it was announced that Coe was to send a team to New York to represent the college on the General Electric television show, "College Bowl." Eight students were selected on the basis of a special test, (given to over a hundred students) College Board scores, Junior Orals, Graduate Record Exams, grade point average, and teacher recommendations. Those eight students were Carolyn Carrithers, Rudy Drost, Julia Eanes, Jonathan Fiske, Dean Meyers, Tony Pordes, Paul Roberts, and Alison Shepherd.

Beginning in January the team met each Sunday with the coaches Lynn Engdahl and Dr. John Murry, and competed against each other on a buzzer board that had been built for the team to use. The practice would end with the team competing against the two teams presented on the "College Bowl" that week. (see picture above) On the last Sunday in January the eight members were divided up into two separate teams and competed against each other on a simulated "College Bowl" contest, which was presented over KWKL-TV in Waterloo. After this show the final four members of the team were selected on the basis of performance during the practice sessions and under the pressure of live TV. The four finalists were Rudy Drost, Tony Pordes, Paul Roberts and the team captain Alison Shepherd. Dean Meyers was selected as the alternate to accompany them on the trip.

On February 26 the team flew to New York, and were the guests of General Electric for three days. Saturday was spent on sightseeing and touring of the famous museums and art galleries of New York, and that night the team was able to see a Broadway show. Sunday morning the team breakfasted together and tried to relax. At noon they journeyed to Rockefeller Plaza, where they met their host and their opponents, three time winners, Portland State University.

After a few brief practice sessions they lunched with the producer and their opponents. The afternoon was spent in rehearsals until 5:30 when the real contest began. Coe jumped off to a big lead, capturing the first three questions, but by half-time Portland State had closed the gap to just a few points.

When the buzzer rang, for the start of the second half, Portland State caught the Coe team and went ahead. Displaying the form which carried them through five straight victories Portland State won again. The Coe team was disappointed in their defeat, but drew pride from the fact that they had scored more points against the Portland State Team than their other four opponents combined.

## SPEECH TOURNAMENTS

It was another challenging year, ending in tremendous success for the Coe forensics team. Traveling to tournaments across the midwest, the team showed great promise early in the fall term. This promise held true in November, when Coe took first place in sweepstakes for the second year in a row at the Bradley Speech Tournament, the largest college forensics meet in the nation.

Between tournaments in the second term, Coe staged its annual high school tournament on the Coe Campus. Then in the third term, Coe's Doug Matsumoto, Steve Souder, and John Casey won the men's sweepstakes at the National's, thus ending another proud year of speech tournaments and trophies for the team.

"Another trophy!"

Back row: Gus Webster, Bill Young, Ron Wood, Jennings Warner, James O'Neil, Ed Runner.  
Front row: Sandi Ballard, Virginia Horak, Nancy DeYoung, Chere Jemsek, Gini Knight,  
Susie Engelhardt.

## SUMMER SERVICE PROJECT

The Summer Service Project Committee of Christian Council chose British Columbia, Canada, as the site of the 1965 project. The nine students to be accompanied by faculty advisor Dr. John Walker are: Dave Rau, Pete Grubmeyer, John Wilson, Tom Vaughn, Jay Griffin, Sue Abrahamson, Susan Davis, Carmen White-cotton, and Sue Shroeder.

The project plans were coordinated with the help of Reverend Richard Warne of the United Church of Canada. The project was to last from August 2 to September 10, allowing two weeks travel time.

The work that the students did was completion of the construction of an A-frame church in Field, British Columbia in the Canadian Rockies. Living with families and working directly with the community on the project helped the student-adult relations as well as the overall goal of promoting Canadian-American relations. Side trips into the neighboring areas gave the Coe students a knowledge and greater understanding of an area quite unlike those of former projects in North Dakota, Mississippi, Mexico, Puerto Rico, and Arizona.

# BLACK OUT

"Please!"

"Kids!"

"We want B Avenue!"

Lights blinked out. Studies ceased. Greene Hall marched on Voorhees. Two coeds diverted their intentions with the cry, "Let's get B avenue!"

Thus they had a purpose. A self-designated leader perched on the stop light and the street swarmed with "demonstrators." The paddy wagons arrived, but it took Mayor Johnson and Dr. McCabe to assure the enthusiastic throng that B avenue would be "got" in the near future . . . and furthermore the police could be better utilized in the darkened city.

# FLUNK DAY

The Bell tolls  
5:15 a.m.

You wander out . . .

the attack is on!

Come on duck!

A man's best-friend,  
especially on flunk day,  
is his duck!  
Right Dan?

Warren Reinecke presents the Inter-fraternity Scholarship Award to Tom Brandon, president of Sigma Nu.

John Casey swears in John Wilson and Paul Roberts as President and Vice President of the Student Council.

# CAMPUS SCENES

To see, to really see, amidst silences composed of echoes, is to learn. It is to the student's vision of himself and his world that Coe College is dedicated.

Sometime between registration and first exams the freshman stirs, shifts the stocks of his mind, and sees himself no longer a child. Sometime after that first wild spring fever and the next snow, the sophomore stops, groups the range of his thoughts, and sees his tomorrows.

We saw the others, all the others, and marvelled how much alike we were. We marvelled, too, at differences and found that to explore was to uncover wonders we could perceive only with minds changed by the perceiving.

And then if we were lucky, we took the final step into ourselves. With eyes wide open we plunged into understanding. And we dared the endless dare — to be ourselves.

Mists did not matter . . . we could see.

But as the modern poet says ". . . it was not a view that one 'saw' in the strict sense; it radiated over one, dancing in that dark mist, pouring into the eyes and spreading within the five senses — as light enters the pin-hole of a camera's lens but floods the whole gelatine surface of the negative.

Coe College Cedar Rapids, Iowa

Dear Miss Head:

First I want to thank you for the honor of serving as Judge of your Acorn Beauty Queen. Needless to say, I enjoyed the task.

As you can imagine, I am asked to judge a number of beauty contests every year, but I remember one in which the contestants are so hard to make. All of the young ladies in your group are very lovely and quite photogenic.

However, after careful consideration, I feel my nod of greatest approval must go to the lovely young lady whose name is Carolyn Brown.

Again, thanks so much for the pleasure and honor of serving as your Judge.

Sincerely

## ALPHA XI DELTA

As each passing year adds to the store of experiences and memories, 1964-'65 leaves its indelible mark of achievement and fun for the sisters of Alpha Xi Delta.

The year began with our annual Fall retreat where all the sun-tanned Xi's congregated to reminisce about the summer and plan for the coming flood of activity.

Susie Bryant reigned as TKE Sleepy Time Gal as well as representing the Xi's as Homecoming Queen Candidate. This year's Homecoming was an extra-special event for Alpha Gamma chapter since our float, built in cooperation with the Lambda Chi Alpha fraternity, was awarded the first place trophy. Fran Reuse and Marlys Nielsen both served on the Homecoming Committee, helping to make that much-anticipated weekend enjoyable for all.

This year the Alpha Xi's adopted a new philanthropy project which has been both a rewarding and delightful experience for every girl. We have been working at the Jane Boyd Community Center each Thursday night teaching ping pong and card games.

Winter carnival was a new innovation at Coe this year, and Sara Schomp was quite active in making this a very successful, and, we hope, annual event.

The Xi's shared much of the spotlight on the Coe stage in '65. Carmen Whitecotton, president of Alpha Psi Omega, honorary dramatic fraternity, played the lead in *Amphytrian 38*, and six of us were seen in *Inherit the Wind*.

One of the highlights of the year was our pledging of a brand new Alpha Xi chapter at the State College of Iowa, Cedar Falls.

A student Art Guild was initiated into the Coe community and sisters Linda Heintz, Sara Schomp, and Ann Parkinson were among the founders.

Election of officers was held and Ann Ludvigsen was chosen our new president.

Spring arrived and with it the Alpha Xi Delta Greek Sing. The judges had a difficult job but finally picked Delta Delta Delta and Lambda Chi Alpha as the deserving winners. Bob Young was elected Ideal Fraternity Man. Along with the fun of Greek Week was the Phi Kappa Tau Greased Pig Contest. Our loyal teammates were Sara Schomp, Linda Mason, and Sue Canon who tied for the championship with the Tri Delt.

We were all proud of Mary Alice Shierk who reigned as Cedar Rapids Home Show Queen.

The year drew to a close with our annual Spring Formal. Linda Heintz was chosen Friendliest Girl and Jim Farnham became Alpha Xi Delta Dream Man.

1964-'65, as all others before and all those ahead, was a special year in our college lives. We look back on it with fond memories.

## CHI OMEGA

Chi Omegas started the school year early with five girls at Student Encampment. A week later, the rest of the chapter arrived for the annual House Party at Palisades-Kepler Park. With fall term in full swing, Chi O's were found in the chapter rooms "enjoying" a complete house-cleaning; working in "ye ole barn" with the TEKE'S on our Homecoming float entitled "Button Frosh;" cheering at football games; and entertaining Mrs. Santa Claus at our sorority Christmas party. We were honored to have Carolyn Van Zee chosen as Cedar Rapids Flame Queen.

Winter term brought nine new pledges with many honors attached. Jane Bernsten, Julia Eanes, and Sue Baxendale were elected to Alpha Lambda Delta; Kathy Goetsch, pledged in the spring was also elected for membership. Coe Christian Council chose Susan Davis and Sue Schroeder as participants in the Summer Service Project in Canada. Several Chi O's were members of band and choir. The pledges brought an end to winter term with their pledge dance, "Who Done It?", and we all agreed that it was the biggest success ever.

Chi Omegas found spring term packed with picnics, formals, Greek Week, activation, and many more wonderful events. Omicron Alpha hosted the Iowa chapters of Chi Omega at the Holiday Inn for an inspiring Eleusinia, our Founder's Day celebration. A lovely initiation banquet was held at the Town House where awards were presented to Lynn Haedtler, Julia Eanes, Julie Ukena, and Janet Braly. The chapter presented the annual "Shades of Evening" spring formal at Elmcrest Country Club. Don Decker was chosen Chi Omega Sweetheart during the intermission of the dance. The seniors were very pleased with their shiny silver baby mugs which were presented to them at the Senior Breakfast, May 23. Omicron Alpha was so very proud to help honor Jackie Dennis, a fifty year alumna of our chapter, at an open house displaying her paintings. The chapter presented songs, featuring a beautiful duet composed and sung by Ann Carpenter and Jane Bernsten. Chi O's finished the year with a sorority picnic enjoyed by all, in spite of the rain.

The past year has been a great one for Chi Omega. Once again we received the Panhellenic Scholarship Tray for the highest average winter term. Many Chi O's served as assistants in the departments of English, Spanish, Political Science, and Math. Donna Oetjen spent six months in Costa Rica in the study of lichens, while Barb Halliburton studied at Argonne National Laboratories during spring term. These are two of the programs sponsored by the Associated Colleges of the Midwest.

Thus ended a happy and successful year for Chi Omega at Coe College.

## DELTA CHI BETA

With the beginning of fall term, the Delta Chi's experienced one of the busiest school years ever. Complete redecoration of our chapter rooms was our first major project, and we extend special thanks to Jeff Harrington for all of his help and advice.

We all missed Alison Shepherd and Ann Thomas who participated in the Washington Term Program and Phyllis Prehn who did her student teaching under the Chicago Urban Semester Program.

The Delta Chi's proved to be hard workers for campus activities such as Homecoming Committee, Y.W.C.A., and student productions. During Fall term Susie Engelhardt was chosen as the Siglympic Queen and Joy Arima was our Homecoming candidate.

Winter term was welcomed with Formal Rush, and many of our activities centered around our new pledges. Our pledge dance "Far Away Places," was the big social event for the term. Just before finals, the Delta Chi's were gathered around the T.V. set in the chapter rooms to watch Alison Shepherd who was part of Coe's team on "College Bowl."

Spring term brought Ideal Week and initiation, Greek Week and more honors for the Delta Chi's. Mary Jensen was elected president of Mu Phi Epsilon, Shirley Hughes was chosen for the Student Encampment Committee, and Susie Engelhardt was chosen as Publicity Chairman for Student Council.

The Delta Chi's celebrated spring with a barbecue and dance, and at that time George Esslinger was chosen as the Delta Chi "Mascot." Flunk Day and our picnic honoring the seniors completed a perfect year for the Delta Chi Beta's.

## Delta Delta Delta

The year of 1964-65 has been one full of warm memories for the Tri Deltas. Active participation in debate, Catalinas, homecoming, and sports has made each Tri Delta feel this year has been outstanding.

September was started with our annual house party followed by many fraternity dances including the Lambda Chi's South Sea Island Dance where Jane Coffey was named "the girl whom one would most like to be stranded with on a desert island" and the Phi Tau's Grave Affair with Barbie Fisher as their "Ghoul Friend." With Homecoming approaching, our cheerleaders, Cyndy Erickson, Janice Kamps, Lynn Sager, and Nancy Swaine led the team to victory on the field; while Lyn Ward led Homecoming weekend to success with Tri Delta's Janice Kamps sharing the crown of Homecoming Queen with Kappa Delta's Ruthanne Dempsey. Before Homecoming came the Siglympics which the Deltas won now for the seventh consecutive year. At Christmas, the Lambda Chi's and Tri Deltas held a party for the underprivileged children. In scholarship, Delta Delta Delta placed first on campus and was proud to have Lorraine Gregory initiated into Alpha Lambda Delta.

With winter term came the pledging of ten girls and the pledge dance titled "Sea and Ski." Delta Delta Delta again awarded a scholarship to a Coe woman student regardless of her social affiliation. Valentine's Day brought Heart Throb Hop along and we honored Ron Feltes as the Tri Deltas "Heart Throb." The dance is held annually to raise donations for the heart fund.

Spring term welcomed "Ideal Week" and nine new actives into Delta Eta Chapter along with three new pledges. Spring Sing followed with the Tri Deltas winning first place with "A Few of My Favorite Things." Greek Week tricked us all this year with the bad weather, but Phi Tau's still held their Greased Pig Contest in which the Delta's tied with the Alpha Xi's for first place. Parents' Weekend featured a breakfast for the parents in our Chapter rooms. Tri Delta also proved their athletic ability by coming in first in baseball. With the end of Spring Formals, the Deltas had Karen McMurray crowned as Sigma Nu Sweetheart and John Cotter as our 1965 "Dream Man." Our year ended wonderfully with our nine seniors leaving us yet obtaining their Tri Delta alumnae Circle Degree.

## KAPPA DELTA

Kappa Deltas had many opportunities throughout the school year to direct their enthusiasm toward sorority and campus life. They started the fall term by participation in student encampment, freshmen orientation, and house party. They immediately assumed their responsibilities as Acorn and Cosmos editors, AWS officers, Christian Council and Student Council members. Their energies were directed toward such activities as Siglympics (which they almost won!), the political campaign, campus chest, and Winter Carnival. Fun-loving KD's enjoyed fraternity exchanges which resulted from campus chest auction, all-school dances and formals, and athletic events. Two peppy KD's expressed their enthusiasm as cheerleaders. Others displayed their funny and serious sides in the school plays.

In the area of scholarship several KD's were named to the Dean's List, Crescent, or pursued independent study in Washington, D.C.

The innocent pledges fooled the actives by a show of wit and cunning in pledge skips, skits, and pranks. Seniors supplied their sophisticated wit for the specific benefit of those in the sophomore slump.

In the Beauty category Kappa Deltas proudly claimed Homecoming Queen Ruthanne Dempsey. Marie Horn was military ball queen. Karen Andrews and Judy Salladay were attendants to Flame Queen and Homecoming, respectively. Beauty and sincerity combined to make three fraternity sweethearts.

Sincerity of purpose was put to practical use on the philanthropy which was a party given for the mentally retarded of Cedar Rapids each month with the Alpha Phi Omegas. One member was able to be a member of the Summer Service Project which went to Canada.

Each Kappa Delta is a unique individual who contributes her talents and energies toward realistic goals in campus life.

## ALPHA PHI OMEGA

During the past year the Delta Lambda Chapter of Alpha Phi Omega carried out the aspects of its purpose on Coe's campus—leadership, friendship, and service, in a variety of ways. The members have worked in co-operation with Kappa Delta in helping the Linn County Retarded Children Center. A Phi O also sponsored the Ugly Man Contest with the proceeds going to the Summer Service project. Members also helped the local Boy Scout Troops as well as acting as ushers at convocations.

The responsibility of leadership was assumed by many members of A Phi O. John Wilson was elected President of the Student Council and Paul Roberts vice president of Student Council. Paul also served as President of the Christian Council, and was a member of the College Bowl Team. Dave Rau was selected treasurer of Student Council, and President of Pi Delta Epsilon. Rolf Beckhusen, in addition to his serving as President of the fraternity, was captain of the victorious independent men's intramural teams. Other members were active in social fraternities, student council and its committees, school publications, and athletics.

The members of A Phi O enjoyed several social activities starting with the party for the freshmen during orientation week, and ending with a party with the Chi O's in the spring.

## ALPHA SIGMA PHI

The men of Alpha Sigma Phi, Alpha Chi Chapter, once again illustrated their high spirit and enthusiasm this year. From the Siglympics Ball to the Black and White Formal, the Sigs were known as gracious entertainers. Susie Englehardt reigned as Siglympics Queen, and Louise Miller reigned at the Black and White Formal.

The Sigs also put on a school-wide book drive under the auspices of the National Student Association. The book drive was a tremendous success as we gathered over 600 books for poverty-stricken areas and Negro Colleges.

Another strong point of Alpha Sigma Phi was AFROTC. Brothers Decker, Esslinger, and Evans are all to be congratulated on their outstanding performance and excellent leadership.

The year was wrapped up with the initiation of six new members. These new initiates will return next year to continue the outstanding character of men which prevails in Alpha Sigma Phi.

# LAMBDA CHI ALPHA

The Zeta Alpha chapter of Lambda Chi Alpha concluded another memorable year on the Coe Campus by maintaining its traditions, principles, and ideals. The chapter continued to maintain its high level of excellence in three competitive areas: academics, athletics, and social activities.

The brothers have retained their high rank of scholarship on the campus and in the nation. Our scholarship program continued to boost the level of academic achievement of both the brothers and the pledges, while allowing the members to participate in all extra curricular campus events. We stood second overall this year.

The athletic year also proved quite rewarding to the brotherhood. Many of the brothers excelled in the college sports program as well as in the intra-mural program. The brothers received recognition for their participation in football, cross country, track, baseball, swimming, and golf. In the intramural program, the Lambda Chis started the year by capturing the football crown and continued to prove their athletic prowess by taking six more of the Intra-mural events.

The social year of the Zeta Alpha chapter was one of unprecedented activity. The South Sea Island Dance began the social year for the brothers as well as the school. Homecoming followed with the Lambda Chi Alpha and Alpha Xi Delta sorority combining their creative efforts to receive first place in the float contest. The annual Pledge Dance followed with numerous informal gatherings occurring throughout the entire year. The climax of the social year was the annual White Rose Formal held at the Cedar Rapids Country Club. Miss Marie Horn of the Kappa Delta sorority was crowned Crescent Girl. Other awards were presented to Terry Bunge for outstanding senior man. Don Dempsey for outstanding Intra-mural man, and the outstanding pledge award was presented to Larry Alsbrook.

The Brotherhood of the Lambda Chi Alpha Fraternity has displayed a well-rounded, worthwhile, and enjoyable schedule of events. With the departure of the senior class, the undergraduates of Zeta Alpha accept the challenge posed by these fine men to uphold the high standard achievement that they have maintained.

# PHI KAPPA TAU

The men of Iota continued this year to improve their scholastic standing on campus while maintaining their usual varied assortment of social events and activities.

A number of the brothers should be given individual recognition for their contributions to campus life. Terry Erickson was the President of Inter-Fraternity Council and Ron Feltus is the newly elected President for '65. Geoff McKee served as vice-president of Student Council and Norm Beu headed the 1964 Homecoming committee. In the A.F.R.O.T.C. program, Jim McJoynt was group commander and Joe Manatrey received the Reserve Officers Award of Achievement. Bob Brizzalara served as president of the Business Club and as business manager for the Cosmos. Bob Smythe coached the Freshman Football Team bringing his overall two-year record to 5-1, and Dan Guenther was chosen Editor for the 1965 Caravan.

Social highlights included highly successful "Grave Affair," featuring Singing Sam and the Sparks, and our Winter Turnabout pledge dance. During Greek Week the Phi Taus initiated the Annual Sorority Pig-Chase and won the Kappa Delta pie-eating contest for the third consecutive year. Special recognition must go to Joe Manatrey, Greek Week's Ugliest Man On Campus.

At the annual Spring Formal dinner Karen Andrews of Kappa Delta was named Phi Kappa Tau Sweetheart. Terry Erickson was selected most valuable intramural man, Geoff Bangs, most valuable pledge, and Sachem-member Bob Brizzalara outstanding Fraternity man.

## SIGMA NU

Sigma Nu continued to maintain a high level of scholastic achievement this year. The chapter placed first academically among the fraternities during the fall, winter and spring terms. Brothers were elected to Phi Beta Kappa and received many awards for their academic achievement. Beta Epsilon ranked high among the Sigma Nu chapters across the nation.

In addition to captains of the football teams, brothers were selected to little All-American teams sponsored by the fraternity. Several brothers were selected to all-conference teams in football, basketball and baseball. Many awards for excellent performance and improvement in all three major sports were given to Sigma Nu.

In general campus activity, the men of Sigma Nu were active in forensics, drama and administration. Many of the brothers received assistantships in the various departments of the college. Clan of C, student council and interfraternity council were served well by members of Sigma Nu.

The social calendar was highlighted by the annual White Rose Formal held at the Town House. Popular opinion seemed to provide proof of its success. The "Mods and Rockers" pledge dance in the winter term was another outstanding event. The social calendar was full of exchanges and other happenings to provide entertainment during the year.

Taking all into consideration—scholastically, socially and athletically—the year was most successful. It provided the men of Sigma Nu with many memories of rewarding experiences. It was a good year.

## TAU KAPPA EPSILON

Zeta chapter ended its forty ninth year on Coe's campus after participating in a wide variety of campus activities.

Top events on the T. K. E. calendar were the Homecoming celebration, the all school TKE Pajama Dance, and the Red Carnation Spring Formal. At the annual formal, Bobbie Kamps was chosen TKE Sweetheart, while John Stalmac was elected Ideal Pledge. Chuck Zimmerman was the recipient of the 1965 TKE Outstanding Senior Award.

The TKE's were active in many campus activities. In football, Rollie Pardun and Robert Bruckner were standouts. Rollie, as Coe's kicking specialist, kicked a field goal with seconds left to win against Cornell in the Homecoming game. Bruckner led Coe's defensive team as an all conference safety man. Ray Zirpolo starred in track by taking first in the 100 yard dash and 220 yard dash at the conference meet and fourth in the 100 yard dash at the Drake Relays. Tim Frisch led Coe's baseball team to a successful season as their leading pitcher. Dennis Hummel was president of the R.O.A. Doug Miller won the outstanding Flight Commander award in ROTC and served as vice president of the Business Club.

Looking forward to next year, TKE has an excellent social calendar planned. We are awaiting with a positive attitude another good year at Coe.

## MWC Champions

With twenty-three returning lettermen, the Kohawks under Coach Glenn Drahn were picked as one of the leading contenders for the Midwest Conference title.

Travelling up to Northfield, Minn. for their Midwest Conference season opener, the Kohawks returned victorious after dumping Carleton 27-0.

The gridders opened their home season against St. Olaf and posted a 16-6 victory. The defense proved itself to be rugged by recovering four fumbles and intercepting two passes.

Sporting a 2-0 record and hopes of their third consecutive conference victory, Coach Drahn's gridders faced the Redmen of Ripon only to be set back 42-14.

After the defeat by Ripon, the Kohawks headed for paydirt against the Knox Siwash drubbing them 35-6. Sophomore Dick Smith dashed 72 yards for a TD after grabbing a Knox punt on his own 28 yard line.

Coming back from behind twice, the Kohawks spilled Cornell 15-14 on a 32 yard field goal by Rollie Pardun early in the fourth period. Quarterback Rich Tosi scored on a 5 yard plunge and on a 6 inch plunge. The Homecoming victory over Cornell put the Kohawks in a tie for second place.

Held scoreless in the first half, the Kohawks came back in the second half and marched over the Grinnell Pioneers 21-15. Early in the fourth quarter Bob Bruckner intercepted a pass and raced 70 yards for the TD.

Parent's Day found the Kohawks walloping the Monmouth Scots 49-0 and placing them in a three way tie with Cornell and Ripon for first place in the conference.

Seventeen seniors closed out their college football careers as the Kohawks trampled the Lawrence University Vikings 47-10 to gain a share of the Midwest Conference title. This was the first title for the Kohawk gridders since 1959.

## BASKETBALL

Head Coach King, Student Coach Evans, and Freshman Coach Babcock.

Capturing their opening game against William Penn College 72-63, the Kohawks set the pace in the Midwest Conference with wins over the Siwash of Knox 86-69 and the Scots of Monmouth 95-85. The cagers under Coach Don King dribbled on to their fourth straight victory by tumbling Buena Vista College only to lose the battle of the unbeaten teams against Upper Iowa 103-83. The Kohawks bounced back to outlast St. Ambrose for a 79-71 victory.

The first road trip against conference opponents proved disastrous as the Lawrence University Vikings handed Coe their first conference loss 75-72 and the Redmen of Ripon dumped the Kohawks 81-63. The cagers regained the league lead by putting together a late spurt and waltzing away from Carleton 72-60 and scrambling to an 81-69 victory over St. Olaf. With seven seconds left in the game, veteran Larry Shryock hit a 10 foot jump shot for an 82-81 victory over Beloit College.

Once again a road trip proved disastrous as St. Olaf handed the Kohawks an 88-68 loss and Carleton dropped the Kohawks 88-74 to push the Kohawks into third place in conference standings. In the following outings the cagers smothered Grinnell 80-53 but lost to arch-rival Cornell 77-71.

The Kohawks once again broke the 100 point mark as they handed the Lawrence University Vikings a 102-81 defeat. The following night found the Ripon Redman edging the Kohawks 68-66. In an exciting overtime bout, Grinnell edged Coe 105-100 and the Cornell Rams walloped Coe 90-73 in their next game. The Kohawks then knocked off their road jinx as they defeated Knox 95-85, but bowed down to Monmouth 79-72.

Veteran letterman Larry Shryock swept three post-season honors as he was selected "most improved player" by the coaching staff, "most valuable player" by his teammates, and was cited by Coach King for the "Dick Case Hustle Award."

## WRESTLING

Coach Moyer

With three returning lettermen, Coach Fred Moyer opened the season with an inexperienced and injury-ridden squad with a quadrangular meet at Lawrence University where they finished behind Carleton, Lawrence and Ripon. Dick Imhof, Pete Fader, and George Dyche placed first in their respective weight classes.

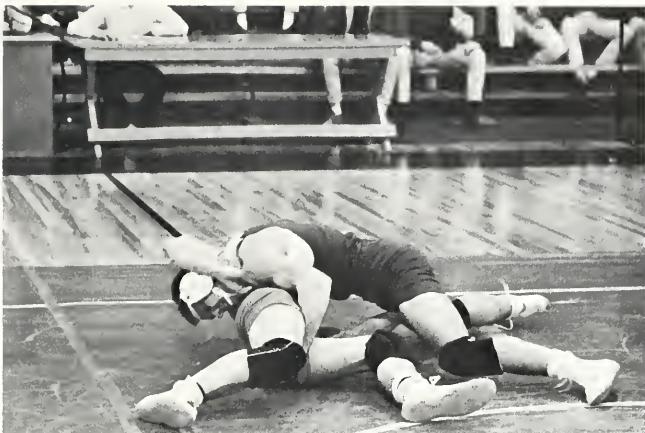

Losing three matches on forfeits against Upper Iowa the grapplers managed to pick up 9 points by winning three of the next five matches. Imhof, Fader, and Dyche were still undefeated.

Returning home for a two meet stand, the Kohawks beat Knox 24-6 with Imhof and Cappola pinning their opponents, and then losing to Dubuque 27-3 with only George Dyche managing to pick up any points for Coe.

Dick Imhof and George Dyche combined talents for five points to place Coe twentieth in the NCCA Small College Tournament at Golden, Colorado. Dyche placed fourth and fought his way into the NCAA nationals at Laramie, Wyoming where he was defeated in his opening bout.

The grapplers finished seventh in the conference meet with Dyche, Imhof, and Cappola grabbing points for the Kohawks.

Coach Babcock

Coach Carl Babcock's track squad opened the indoor season by taking a licking from the State College of Iowa 86-17. The thinclads, however, dashed right back and smashed the Monmouth Scots 66-28 as Ray Zirpolo and Don Hayes paved the way to the victory. Tuning up for the Midwest Conference Indoor Track Meet, the spikesters trounced Grinnell 56-38 and Wartburg College 58-37.

Sophomore Ray Zirpolo was the only first place winner as the Kohawks placed third in the conference indoor track meet, just six points behind title holder Grinnell and only one point behind second place Carleton. John Gawthrop led the spikesters to victory with double wins in the one and two mile events as the Kohawks outscored their opponents in the annual triangular meet with Loras and St. Ambrose. Coe collected 43 points to Loras's 42 and St. Ambrose's 33.

The 440 yard relay team composed of Ray Zirpolo, Don Hayes, Tom Green, and Rollie Pardun placed fifth in the Cornell Relays. In the Monmouth Relays the track squad placed in eleven of the eighteen events, and in the Redmen Relays at Simpson College the thinclads grabbed second place. Warming up for the conference meet, the spikesters of Coe trounced Iowa Wesleyan 85-49 with double winners Don Hayes, Mike Collis, Ray Zirpolo, and John Gawthrop leading the way.

In the conference meet sophomore Ray Zirpolo posted victories in the 100 and 220 yard dashes to give Coe a fourth place in the Midwest Conference Track Meet.

Coe's three fine hurdlers Bob Hoffman, Denny Kittler, and Don Hayes.

Don Hayes was one of the members of the 440 yd. relay team, and the MWC high hurdle champion.

Ray Zirpolo, Coe's outstanding 100 and 220 yard dash man.

Rollie Pardun, Tom Vavra, Dave Peterson, and Mike Collis made up two different relay teams for Coe.

## BASEBALL

### SOUTHERN DIVISION CHAMPIONS

With nine returning lettermen and a solid pitching staff, the Coe baseballers under Coach Don King were pegged as contenders for the southern division championship which they won. The Kohawks opened the season by splitting a doubleheader with William Penn, losing the first game 10-5 but winning the second 2-1.

In 13 innings of action, Coe tied the State College of Iowa 0-0. Opening the conference season against arch-rival Cornell, the Kohawks walloped the Rams 8-3. Coe moved into the league lead by taking advantage of Knox errors as they stomped the Siwash 9-2 and posted a 2-0 conference record.

Facing the Pioneers of Grinnell in a doubleheader, the baseballers romped to an easy 12-0 victory in the first game but went down in defeat 1-0 in the second game. Cornell edged Coe 4-3 in the first game of a doubleheader, but the Kohawks swung their way to victory in the second game by the score of 7-0.

The University of Iowa baseball team proved too powerful for Coe as they shut out the Kohawks 5-0. The Monmouth Scots romped to a rain-shortened 8-6 victory in the first and the second game was called because of rain after one inning of play with Coe leading 3-0.

The Kohawks clinched the southern division crown with a doubleheader victory over Monmouth. In these two games the Kohawks won by the scores of 7-5 and 4-2.

In the best of three series, northern division champion Ripon shut out Coe in the first game on a no-hitter 2-0. Coe's Ed Schwenke pitched a shut-out for seven innings of the second game, but then ran into trouble. A two-run rally in the ninth inning gave Ripon a 5-4 victory and the championship.

## *Commencement*

In four swift years mellowed now to yesterdays, we saw a million sights. We recognized in campus scenes even those small stabilities reminding that we are enclosed and moved by the heartbeat of legend. But we realized, too, that tradition is promised to the future.

## SENIOR BANQUET

Robert Jubenville presents Dr. McCabe with the 1965 class gift. The money is for the purpose of landscaping B Avenue — when we get it — and also a portion of it to be used for a scholarship.

## COMMENCEMENT

Senior Week was climaxed by graduation on June 13, 1965. It was filled with many memorable activities for those who were passing through the doors of Coe's Sinclair Memorial Chapel for the last time as students. Graduation day was initiated by Baccalaureate and Commencement climaxed the ending of a perfect day. The Commencement address was "The Human Side of Economic Progress" and was presented by Dr. Howard R. Bowen, President, University of Iowa. A reception was held in Voorhee's Grove for parents, friends, and graduates following Commencement. This was the end of one road and the beginning of another, hopefully even more successful than the first.

The beginning of the end  
of a long journey.

A portion of the 1965 graduating class listen intently to the Commencement address and its promise of the bright future which lies ahead.

Howard R. Bowen, President, University of Iowa, presented the 1965 Commencement Address, which was the "Human Side of Economic Progress." He stressed the promise and opportunity of our economic advancement.

The conferring of honorary degrees on distinguished and deserving men has always been a high light of Coe's Commencement program and this year was no exception. Three honorary degrees were conferred this year to Victor Robert Hurka, Doctor of Science, Kenneth Raymond Clark, Doctor of Laws, and Howard R. Bowen, Doctor of Humanities. Victor Robert Hurka is a graduate of Coe and a Production Manager of DuPont's Organic Chemicals Department. He truly illustrates the philosophy of "Better Things for Better Living through Chemistry." Another graduate of Coe, Kenneth Raymond Clark, conducts a distinguished law practice in Chicago and is considered outstanding in several areas by fellow members of his profession. Howard R. Bowen acts as teacher, administrator, and public servant in his chosen field of economics. His career exemplifies the qualities of the responsible intellectual and he has learned so that he might serve.

Dr. Cook with the newly elected Phi Kappa Phi members: Janet Craig, Carolyn Carrithers, Barbara North, and Gary Schlarbaum.

President McCabe congratulates Dale Glenn Wulf, Summa Cum Laude graduate.

Air Force Commissions were presented by Lt. Col. Hubert J. Charon to ten men. They were: Eric R. Baugh, Robert A. Bruckner, Donald C. Decker, Milton C. Deerr, Ellis R. Evans, Ronald A. Frederick, Jeffrey M. Harrington, James M. Hill, Arthur H. Hollender, and James M. McJoynt.

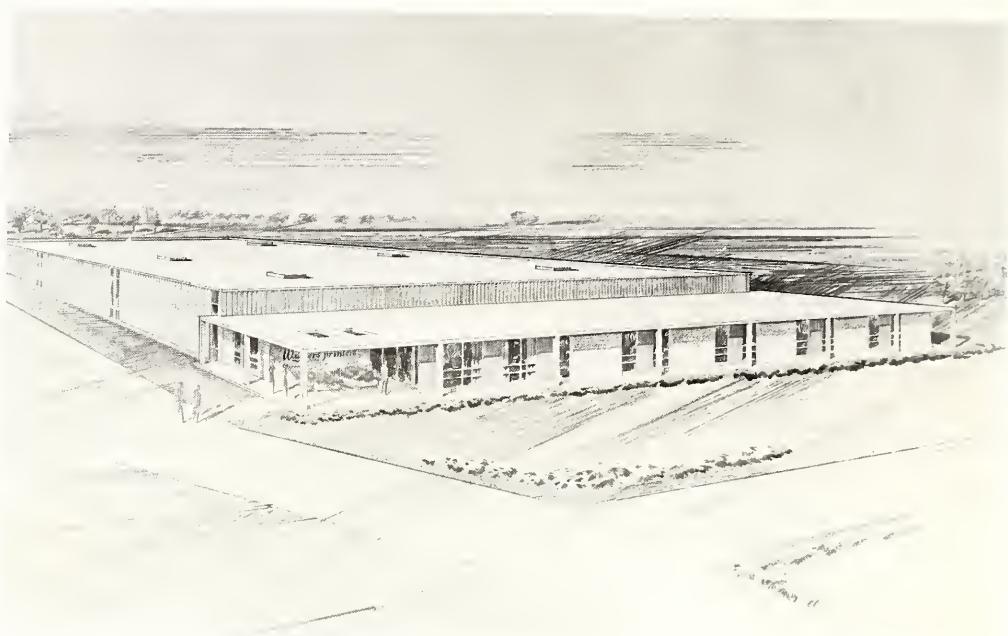

Forward toward the promise of tomorrow and the happiness it will bring.

The end of a long journey.
